

New Horizons for Seniors Program

Engaging Seniors, Strengthening Communities

CALL FOR PROPOSALS 2017-2018: NOVELTY

I- Funding is available for new activities, as well as for recurring activities that have a proven track record in meeting the needs of seniors.

TRICK

If your project contains new activities: emphasize the novelty!

II- For activities that include renovation or retrofit of facilities: you have to provide detailed submissions.

- Activities of **less than \$5000**: 1 external estimate

- Activities of **\$5000 and more**: 3 external estimates*

* Please note that a detailed breakdown of your costs in addition to an explanation is necessary should you be unable to submit 3 external estimates with your funding request.

It is essential that you include all necessary documentation with your funding request. Missing documents could result in the elimination of your project.
